### "Love"

I love February! What's not to love about St. Valentine's Day? It's a holiday dedicated to sharing love. I believe that it's just as much about Platonic love as Romantic love. It's a wonderful time to let friends and family know you care and are thinking of them. One year I cut out snowflakes and pasted them to pink paper to make Valentines for all of my friends and family. It took some time and energy, sure, but it was a real delight to see them open the cards.

I also have my birthday in February. This year I turn 45. I never thought I'd live to be this old and in my mind I'm still a kid. I'll be celebrating with a trip to California to see my family and meet my newest nephew, Rusty James Hammond. (I know - he sounds like a singing cowboy). Julianne and I will be making a few side trips to see as many people as possible.

While we're thinking about love, might I suggest we all make a special effort to get to know our neighbors? Even if you've known them for years, take a minute to reconnect. Love is the key to survival.

Let us love one another

## Haiku

Haiku is one of the most important forms of traditional Japanese poetry. Haiku is, today, a 17-syllable verse form consisting of three metrical units of 5, 7, and 5 syllables.

**The seasonal theme.** Each Haiku must contain a *kigo*, a season word, which indicates in which season the Haiku is set. For example, cherry blossoms indicate spring, snow indicates winter, and mosquitoes indicate summer, but the season word isn't always that obvious.

### Seasonal theme: Winter Solstice

*Haiku written by members and friends of CVUU for the Winter Solstice Celebration*

1.  
Light out, dark night  
Light only by candle  
Cuddle with me close
2.  
Hello winter snow  
The trees all frosted and glow  
Meditation flows
3.  
Give of yourself to  
The bonds of community  
Here the divine rests
4.  
Pink morning skies and  
A freshly blanketed landscape  
Sound softened by snow
5.  
Winter is dead space  
Chilled air swirling wind and ice  
Only we dare live
6.  
Nuthatch, chickadee  
Siskin, junco, house finch, dove  
Guests at my table
7.  
This is a haiku  
For the brokenhearted cats  
Up in Alaska
8.  
On my tall bookshelf  
Stories gather row by row  
Adventures await
9.  
Snowy Snowy night  
Light the fire burning bright  
Winter solstice night
10.  
Climate change is real!  
The time for change is right now!  
Mother Earth needs us!
11.  
Glad light will increase!  
Solstice is sacred to me!  
Falling snow brings light!
12.  
Cardinal brightly  
Shines against snow and forest  
Holiday cheerful
13.  
Friends and family  
Sitting round the fire glowing  
Snow softly falling
14.  
Where's my soul at home?  
Up the canyon with my skis  
Falling snow beckons
15.  
I've fallen further  
(numb, naked, hopeful, look light)  
into horizons
16.  
Outside, surprise tracks  
Raccoon rabbit deer squirrel  
Tell me where they go
17.  
sinusoidal though  
longing for inflection points  
warm near the vertex
18.  
falling winter snow  
soft and gentle under feet  
only spare me the cold wind
19.  
winter is upon us  
months go before the warmth  
time for books under covers
20.  
Snow falls gently through  
Branches stripped of summer  
leaves  
Winter has arrived
21.  
Final grading done  
Two a.m. walk with my dog  
Peaceful happy snow
22.  
We play Yahtzee now  
Even at this time of year  
When all things are cold
23.  
Ice  
Snow  
Wonders
24.  
Dark and silent night  
With hushed wonder of the sky  
Makes time to reflect
25.  
look out the window  
snow is falling everywhere  
white wherever I look
26.  
Hills draw sledders up  
Gravity makes projectile  
Filling ER lines
27.  
A haiku for you  
My new friends at UU church  
Thanks for your kindness
28.  
Guests of winter wind  
Skittering across the snow  
Call us out to play
29.  
Spiral in the snow  
With my Piggly Wiggly shirt  
I dream of cookies

### The Wisdom of Teams

We are now referring to our committees as teams. Why the name change? First, it's easier to say (think of all those syllables saved!). "Committee" has the connotation of meetings and talking. "Team" has the connotation of doing. A committee is led by a "chair." Most of us equate a chair with sitting. Teams have leaders who move them toward a clear mission, purpose or objective. Members of teams have clear roles that support the team's goals.

In their book "The Wisdom of Teams" Jon R. Katzenbach and Douglas K. Smith state "A team is a small number of people with complementary skills who are committed to a common purpose, performance goals and an approach for which they hold themselves mutually accountable." They also point out that team success depends on having the right mix of skills, discipline, and regular communication.

As a Board, we've directed our Organizational Coordinator, Sharla, to connect with each of our teams monthly, to identify the current leader, the team's goals, its current members, and any resources or support needed from the Board. Teams, of course, have considerable autonomy in selecting their goals and the means they use to achieve those goals. As a Board, we will work to assure that Church needs are being adequately met, and that our teams are adequately coordinated and supported with resources and members.

Next month, I'll talk about how we can better support CVUU's "small groups."

Cheers, Dave

## Membership Team

### Membership Committee News

Leslie Black has volunteered to help Marlene Connor with the Caring Subcommittee. Thank you Leslie! Marlene & Leslie need to be notified of any all needs for cards, phone calls, transportation, meals, support needed by our congregation. Please do not hesitate to contact them.

We are still looking for a Hospitality Subcommittee volunteer. You can sign up on Shar's ([sharl.hart@gmail.com](mailto:sharl.hart@gmail.com)) spreadsheet as well.

Sunday February 7th an RUAUU#1 class will be held following Sunday's service at 11:30a.m. If you need childcare please contact Nyla Newman or Leslie Black so we may find a provider for your child. Bring a friend! Everyone interested in learning more about Unitarian Universalism is welcome to attend this one hour session.

### WHY CONSIDER BECOMING A MEMBER?

Because each person brings unique gifts to the community---gifts of time, talents, and financial support---our Cache Valley Unitarian Universalists (CVUU) needs people who make the membership commitment. Our diversity is our greatest strength for today and the future.

Membership growth means greater strength for our CVUU community and more impact on the local community, even extending to international questions.

Since February 14th falls on a Sunday, come prepared for a Valentine surprise!

We are also placing a **SUGGESTION BOX** on the visitors table for helpful suggestions/comments from our congregations. Please do give us some feedback. What are we doing well? What are not doing so well? What would you like to see happen at CVUU? How can we better serve you/your interests?

A reminder about our **Fifth Sunday of the month potlucks** following Sunday services. This is a great time for visitors, new folks, and those interested in learning more about CVUU to attend, become better acquainted with our congregation and to get answers to any UU questions you may have.

And lastly, please know how very much each and every one of you are cared about and how important you are to the health and wellbeing of our CVUU community.

Warmly,

Nyla Newman, Membership Chair

## What does spirituality look like?

“To grow restless with who we are helps us move toward our ideals. Perfection is impossible, but we all have the potential to be more patient, more compassionate, more open-minded.”

*Stephen Shick (Unitarian Universalist, peace activist, reformer, clergy) Be The Change: Poems, Prayers and Meditations for Peacemaker*

“Practicing forgiveness...opens the heart to kindness, beauty, and love.”

– Art Severance, UU minister

“I believe there are many paths to the sacred, not the least of which, perhaps the most of which, is beauty.”

– Barbara Carlson, UU minister

## Adult Religious Exploration

**Continuing discussion series** around the PBS Bill Moyer interviews of Joseph Campbell about the power of myth.

*The Power of Myth* deals with the universality and evolution of myths in the history of the human race and the place of myths in modern society.

Campbell blends accounts of his own upbringing and experience with stories from many cultures and civilizations to present the reader with his most compelling thesis that modern society is going through a transition from the old mythologies and traditions to a new way of thinking where a global mythology will emerge. ## Caring Team

Have you wondered “Who is there to help me when I need a helping hand?” At CVUU we deeply care about each other and want to offer support in troubled times. Our Caring Team is organized to help fellow CVUU members, friends and visitors know we care about them and offer to organize others when help is needed.

This outreach would include personal visits, meals, transportation, and general, sincere well wishing. We offer information on community resources that can provide care beyond that which we can provide as a congregation.

Our sincere hope is that you will step forward to let us know when you need help, or if you notice someone who is reluctant to ask. If you are willing to provide assistance with visits, meals or transportation to others, please let us know.

Please contact us if we can help you - or if you are interested in joining our team! Helping others makes our world a better place. Thanks.

*Marlene Connor (245-4768)*

*Nyla Newman (753-2432)*

## Worship / Sunday Services

I’m excited about the direction that the worship team is headed. I wanted to highlight a couple of new programs and practices that the team has been implementing.

### Worship Associates Program

As a lay-led congregation that relies on the talents and time of our members and friends, developing a strong Worship Associates program is integral to maintaining high quality worship services. In an effort to expand the role of Worship Associates at CVUU and to grow the number of members and friends serving in this role, the Worship Team is offering quarterly trainings to familiarize people with the role.

Last November, a group of seven of us met and had a vibrant conversation about how we can improve the feel and content of our services. We’ll be having our next training/conversation **Saturday, February 27<sup>th</sup> from 10:00-11:30am.**

### 4<sup>th</sup> Sunday Lecture Series

This year the worship team is working on developing a 4<sup>th</sup> Sunday Lecture series. Meant to address the humanist and intellectual aspect of our congregation, the lecture series is supported by our 4<sup>th</sup> and 5<sup>th</sup> principles; a free and responsible search for truth and meaning, and the right of con-

- 2/21 Loving the Alien – From Refugees to Republicans

### [UU Ministry for the Earth](#)

Please support Logan High School's [Logan Environmental Action Force \(LEAF\)](#) club as they present their proposal for several resolutions acknowledging human-caused climate change and supporting activities locally to address air quality and carbon pollution.

Currently this resolution is scheduled to be presented at the **Logan City Council meeting Feb. 16, 5:30 p.m.**

Members of CVUU, including Piper Christian, are LEAF members driving this effort. Show up and show your support! If the opportunity arises, please consider speaking out and/or writing a letter to the editor backing this resolution.

science and the use of the democratic process within our congregations and in society at large.

The structure of 4<sup>th</sup> Sundays will be a little different. To start, services will run an extra 15 minutes, ending at 11:15a.m., to give the speaker more time to present and facilitate a question and answer session. To optimize time, children will go straight downstairs for childcare, and the service will be lean on songs and readings.

As the lecture series becomes more established, it's my hope that it can serve as a community event, bringing in new faces to CVUU. If you know someone who would give a good lecture, let me know ([emijame@gmail.com](mailto:emijame@gmail.com)).

### Quarterly Planning of Services

The worship team wants your input in participation in planning services. We've been meeting quarterly to schedule three months of services. Our **next worship planning meeting will be Sunday, February 28<sup>th</sup>, at 11:30a.m.** following the service.

(A RESOLUTION PROPOSAL FOR THE LOGAN CITY COUNCIL)

### LOGAN CITY CORPORATION

#### A RESOLUTION SUPPORTING POLICY AND ACTIVITIES WHICH ADDRESS AIR QUALITY & CLIMATE CHANGE

WHEREAS the Logan City Corporation has demonstrated its commitment to improve air quality and reduce greenhouse gas emissions through the formation of the Renewable Energy and Conservation Advisory Board (RECAB), creation of a conservation coordinator position to support transitioning to cleaner sources of energy through conservation, efficiency, solar and other forms of renewable energy combined with clean vehicle deployment on a community-scale; and

WHEREAS Cache County has become a nonattainment area for PM 2.5 pollutants and is facing the likelihood of ozone pollution violation with warmer summers and more stringent EPA standards primarily caused by the combustion of fossil fuels which threaten our economy, residents and overall quality of life; and

WHEREAS climate scientists worldwide are in near-unanimous agreement that the planet is warming rapidly and this must be slowed to prevent the development of a climate that is perilous to human civilization, numerous species, and the global biosphere we all share; and

### SNOW REMOVAL

Thanks to Bruce Pendery for snow-blowing the drives and sidewalks but he needs help and not just on Sundays.

- Less than 3" of snow, shovels are more effective
  - Shovel a space for your vehicle **before** parking
  - Parking on the snow packs it down into ice
  - Our sidewalks get a lot of foot traffic (especially during the week) which quickly packs down to ice
  - 'Snow melt', sand, shovels are located near the door and outdoor trash & recycling bins to use for icy walks
  - Logan city is cracking down on building owners who fail to clear their sidewalks of snow and ice. Besides, it is our civic responsibility to be courteous neighbors
  - You will help out our mail carrier too!
- 

**COMPOSTING REMINDER:** Yes, we do compost. Use the blue bucket on the counter left of the sink. Please dump into compost bin on east side of building as needed.

---

**RECYCLING:** Please help make CVUU a true Green Sanctuary

### DO

- **USE** the new **BLUE BIN** recycling container under the kitchen counter
- **BE** more conscientious about separating trash and recyclables
- **GLASS RECYCLE:** Rinse glass containers and place in basket under the sink in the CVUU kitchen
- **EDUCATE** yourself **and your children** about the difference between trash and recyclables
- Make **SURE** that items are recyclable (Items might not be even if they have the recycle symbol)
- Put **any items with food** (even if marked with a recycling symbol) in the **TRASH**
- Put **Paper towels** and **tissues** in the **TRASH**
- Take a few minutes to **educate** yourself and your children
